A bit about our bread... Have you heard of *Loafley Bakery & Deli co.*? It's our sister business on Upper Frog Street. We're proud to say that all the bread served at The Mooring is made there. We don't add any unnatural raising agents or chemicals to our dough which means it not only has a delicious flavour, it has a proper crust, too. No two slices are the same – and that's just the way we like it!

PLEASE NOTE: We will do our very best to accommodate any specific dietary requirements or intolerances, for allergy advice please ask to see our allergens information sheets. Gluten and dairy free breads are available.
